Monday 20th April 2020

Dear Parents, Carers and Pupils,

I hope this letter finds you well and that you are all looking after each other and keeping your minds and body as fit and healthy as possible.

This week we launch our online learning on the school website. Please access this through the working from home tab and then your class page. New work will be set weekly for each year group. If you need any advice or support, then please email your class teachers through the year group email address. Also continue to send in pictures of activities that have been completed as we all love to see them and share them on our Facebook page. Use the exercise books provided to record your home learning in as much as possible so that we can look at these when we return. Make sure you read too as this will help in all you do! I know from speaking to some of you that you are also still working through your CGP books and home learning packs that you were given, please continue to do so too.

All of the staff are continuing to contact pupils and families and this has been really positive. Please let us know if there is anything you need support with during these calls and we will endeavour to help you as much as possible.

We are missing you all so much and cannot wait until we all return as one big family but for now, make sure you follow all government guidelines to protect each other so that we can all return to school safely in the future.

We will continue to communicate any updates to you as frequently as possible. Try to enjoy this time as a family and help your grown-ups!

Many Thanks

Claire Caldwell
Headteacher
