19<sup>th</sup> June 2020

Dear Parents/Carers,

I hope you are all well. Thank you once again for your support over the last few weeks. Class teachers have reported to us that the weekly phone calls are going well and that many of you are all helping your child(ren) engage in their home learning in some form. This is very much appreciated and we all enjoy seeing the great work that is being sent in by email. Please continue to do this for the final 3 weeks of the school term. Again any support needed please do not hesitate to email the year group address.

As you are aware we have welcomed back into school Nursery, Reception, Year 1 and Year 6 children. It has been pleasure to see more smiling faces back onsite and I must commend all children on how well they are adjusting to the new rules and ways of working. Well done to all!

The government guidance issued last week indicated that other year groups will not be back at school now until the start of the new academic year. As a school we will be auditing numbers of places taken already and will be in contact with parents if this changes in the next few weeks.

**To aid us with this process we are now asking:**

If your child(ren) are in the current Nursery, Reception, Year 1 and Year 6 and have **not already taken up the offer of returning to school, the deadline for return and taking up this offer is Wednesday 24<sup>th</sup> June 12 pm.** Please either email the year group, or contact the school office. Any places in these year groups not taken up by this time will be reallocated to other pupils and they will not be able to return until the new academic year. We will then look at the additional numbers and create new 'bubbles' if possible. Please do get in touch as soon as possible to ensure we can accommodate all children in these years.

We appreciate that you will have lots of questions about the re-opening of school after the summer holidays, however, at this present time this is something we are unable to confirm, and will depend on guidance over the coming months. We will ensure we keep you updated through our usual communication channels of the School Website, Weduc and Facebook throughout this time.

We miss all of our children very much and look forward to when we can welcome everyone back into school.

Many Thanks

Mrs C. Caldwell  
Headteacher
