TASK 2

Open a word document on your laptop or a notes page on your ipad/tablet. Below are some facts about the Romans. Your job is to re-type these out on your laptop/ipad. We have deliberately not put capital letters in these so remember to change the letters that need to be capital letters by using the caps lock key.

Romans facts:

- 1) the clothing that the romans wear that look like dresses are called tunics.
- 2) the romans originally came from rome which is the capital city of italy.
- 3) the romans read scrolls.
- 4) julius caeser, Claudio and nero were all different leaders of the romans.
- 5) the roman period came just after the stone age period.
- 6) the romans created an empire
- 7) an empire is where one leader rules lots of different countries not just one.
- 8) it took the romans 3 times to invade britain before they won and took over Britain.
