

English

We have an English lessons every day. We will be focusing on our topic “The Romans. We will be using the “Thieves of Ostia’ and will be writing for a variety of audiences and purposes including writing descriptions, diary entries, play scripts and non-chronological reports. We will be finding out about what happened in Ostia in AD 79 and children will have the chance to take on different viewpoints in their writing.

Punctuation, grammar and spelling WILL continue to feed into all of our work and children will be trying improve their skills. Children will be taking part in reading sessions and we will focus on summarising a text.

Home Learning

We just want to thank you for your continued support during this strange time with home learning. We are very impressed with the work that we have received so far.

We would just like to remind you that the online learning can be found on the school website. It is expected that all work is completed and sent back either through TEAMS or the year 4 email.

Maths

Children have a daily Maths lesson. We will link as much of our Maths to our Connected Curriculum topic ‘**Rotten Romans**’ as we can. Our work this term will centre on the topics of multiplication, fractions, decimals and measurement. Children will be comparing and ordering decimals to two decimal places! .

Our work on calculation methods will also continue, so ask your child to explain these to you!

We are continuing to work on children’s times tables. Children are being asked out of order facts as well as division facts to move onto learning the next x table.

Science

Just like in Maths and English, our Science topic this term is also linked to our Topic work. We will be learning all about **Teeth and Digestion** and linking it to life in the Roman time period. We will also be undertaking a topic on light. Ask your children about different types of teeth and what they're used for!

If you have any questions or queries,
please email:

working together
to be the best'*

Topic

We have already begun this term's topic on '**Rotten Romans**'. Lots of our lessons this term, including English and Maths, will be linking to this theme and the book '**The Thieves of Ostia**'. Children will have lots of opportunities to learn all about this fascinating time period.

Within this topic we will be looking at the rise of the Roman Empire and how it affected British life and culture. We will be researching about the everyday lives of Roman children and what they would do for fun. Our topics that we cover combine subjects such as Geography, History, Art and Design.
