

In English we are looking at persuasive writing and narrative story writing. We will be focusing on writing forms such as scripts and letters, as well as planning and creating our very own chocolate stories in conjunction with our Year 3 Chocolate topic. We will be continuing to practise our letter formation, as well as joining our letters properly. Presentation and spellings continue to be an area of focus as we move towards preparing children for their transition into year 4. We will be continuing our weekly spelling tests and learning some statutory spellings aimed at year 3 and 4 children.

Year 3 staff

- Mr Jagatia (3VJ)
- Miss Martin (3RM)
- Miss Danon (3ID)
- Mrs Sharp (3ID)
- Mrs Dunn (3RM)
- Mrs Lippitt(3VJ)

Summer Term

Forest Lodge Academy
A L.E.A.D. Academy

Please remember
your **PE kit**.

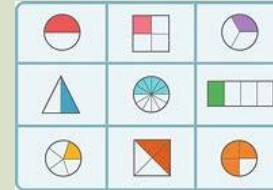

3VJ – Tuesdays & Thursdays
3RM – Tuesdays & Thursdays
3ID – Tuesdays & Thursdays

In P.E students will be completing units in net and wall games, athletics and striking and fielding games.

Maths

In Maths we will be focusing on a variety of different strands including fractions, telling the time, properties of shapes and mass and capacity.

Children will continue to learn their multiplication tables on a weekly basis and be expected to practise them at home. Please encourage your child to read the times table that they are learning every day to enable them to progress quicker. We would also like to encourage them to use Times Tables Rockstars to help with their multiplication facts. Their logins for this; as well as mathematics, are in their reading diaries.

Homework

Read your reading book and bring it back to school EVERY DAY.

Complete your spellings and practise your times tables.

Every week there will be a homework set via TEAMS. We encourage all children to attempt doing the work on TEAMS or submitting it via TEAMS. You can also send in the homework via the year group email if you are struggling with TEAMS. If you do not have a device on which your child can do the work on, please let us know and we shall make arrangements.

Science

In Science we are investigating Forces and magnets. We will be learning about what are forces. We will use scientific words to help us describe them.

Important Vocab For Science This Term:

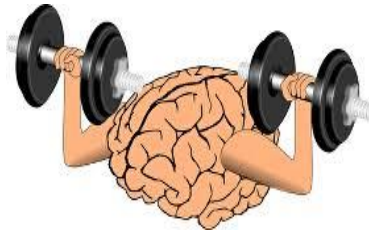

- Forces
- Friction
- Magnet
- Attract
- Repel
- Fair Test

ROUTE TO RESILIENCE

IN SCHOOL | AT HOME | FOR LIFE

'A unique family working together to be the best'

Topic

This term we will be learning all about the Ancient Mayan Civilization!

We will be learning about who they were and why they were an important civilization, even for us today! We will be kicking off our topic with a Mayan chocolate science WOW experiment and have a workshop to bring the Mayans to life!
