

English

To begin with we will focus on our topic “The Romans”. We will be using the “Thieves of Ostia’ book and will be writing for a variety of audiences and purposes including writing descriptions, diary entries, play scripts and non-chronological reports.

Later in the term we will focus on another topic “amazing animals”. We will be using “The Great Kapok Tree” story so children can learn about different animals and their habitats and how climate change can effect them through the story. Here they will be writing letters in which they will be able to express their own opinions and views.

Reading, Punctuation, grammar and spelling will continue to feed into all of our work .

Forest Lodge Academy
A L.E.A.D. Academy

PE Days

4AW-Monday and
Wednesday

4CS – Tuesday and
Wednesday

4AF-Wednesday and Friday

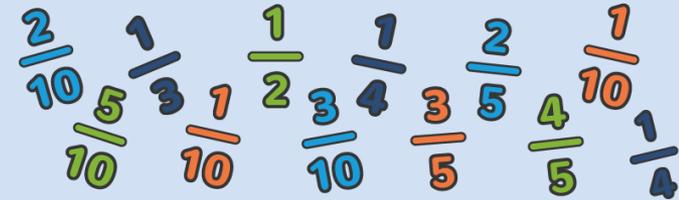

On P.E days please ensure your child comes to school in PE kit. We recommend tracksuit bottoms, a t-shirt, a jumper and trainers.

Year 4 Staff

- Mrs. Wilson (4AW)
- Miss. Smith (4CS)
- Mr. Forry (4AF)
- Mrs. Dobson (4AW)
- Mrs. Carlisle
- Miss. Slater
- Mrs. Kennedy
- Miss. Thompson
- Miss. Laight

Maths

Children have a daily Maths lesson. Our work this term will centre on the topics of multiplication, fractions, decimals and measurement. Children will be comparing and ordering decimals to two decimal places! .

Our work on calculation methods will also continue, so ask your child to explain these to you!

We are continuing to work on children’s times tables. Children are being asked out of order facts as well as division facts to move onto learning the next x table.

Science

Just like in Maths and English, our Science topic this term is also linked to our Topic work. We will be learning all about Teeth and Digestion and linking it to life in the Roman time period. Ask your children about different types of teeth and what they're used for!

Later in the term, the children will move onto learning about animals and their habitats. The children will also be learning about climate change and how it effects animals and their habitats.

If you have any questions or queries, please email:

Homework

Complete some reading.

Learn your spellings.

Practise your times tables.

**Online learning with:
Reading Eggs
Mathletics
Times Tables Rockstars
Spelling shed
(All logins will be stuck in
the back of their reading
diaries)**

*'A unique family
working together
to be the best'*

Topic

We have already begun this term's topic on 'Rotten Romans'. Children will have lots of opportunities to learn all about this fascinating time period. Within this topic we will be looking at the rise of the Roman Empire and how it affected British life and culture. We will be researching about the everyday lives of Roman children and what they would do for fun.

Later on in the term when moving onto a new topic of "amazing animals", children will complete a DT project in which they will create a money box with the idea of that it could be a charity money box for a climate change charity. Children will also complete an art project based on the work of "Henri Rousseau"
